

STATE LANDS COMMISSION

TEXT OF MODIFIED REGULATIONS

The Commission has illustrated changes to the original text noticed to the public in the following manner: regulation language originally proposed is underlined; deletions from the language originally proposed are shown in strikeout using a “-”; and addition to the language originally proposed double underlined.

Title 2, Division 3, Chapter 1

Article 4.7. Performance Standards for the Discharge of Ballast Water For Vessels Operating in California Waters

Section 2297. Collection of Ballast Water Samples.

b) Technical specifications for installation of a sample point in the ballast water discharge line:

- 2) The sampling point shall be installed in a straight part of the discharge line,
downstream of the last treatment process, as near to the ballast water overboard
discharge as practicable.

Authority: Sections 71201.7, 71205.3 and 71206, Public Resources Code
